Chinese Lantern Helpline

We offer a free telephone helpline service to the Chinese Community in the South West England.

Aim

Our aim is to identify isolated and hidden members of the Chinese community and empower them to better integrate into the wider society.

To offer culturally and language appropriate information and sign-posting to the Chinese community in the South West.

To give compassionate guidance, and to provide good quality services.

What the Helpline does?

Offers support and referral to other services through listening attentively with understanding and empathy.
